DOCUMENTATION RECOGNISED PUBLICATIONS

1. RECOGNISED PUBLICATIONS

- 1.1. The following publications are recognised as being of a high standard and have been adopted by the Company. They are considered part of the Safety Management System.
 - a. Bridge Team Management
 - b. Bridge Procedures Guide
 - c. Admiralty publications on ECDIS (NP5012, NP231)
 - d. IAMSAR Vol. III
- 1.2. Procedures contained in these publications are to be taken as Company procedures whenever reference is made to them in this manual. Reference may be to a particular procedure or section, or the entire publication.
- 1.3. These publications form part of the 'Standard Library' and must be kept available on the bridge. This library is maintained by the [Second Officer](#)¹.
- 1.4. When these publications are electronic, they will be accessible from the bridge computer [and from one more computer as back up](#)².
