We have the pleasure of informing you that MAN Diesel PrimeServ - Hong Kong has strengthened and supplemented the already existing customer support available in the South East Asian region, by allocating our superintendent engineer Mr Brian Holm to our Hong Kong office, where he will offer technical service on two-stroke engines in the region.

Our technical service in the region will be conducted in co-operation with our Authorized Repair Shop Brigantine Group, and thus we will be able to supply the full range of services, comprising trouble shooting, provision of experienced engineers, and supply of reconditioned parts.
